Match Report: A stronger Millfield side this year gave the Stragglers a tougher test than last summer but unfortunately the rain had the final say. It is a delight to play on such a superb wicket and many thanks to Millfield. The Millfield bowling attack was quick at times but the Stragglers posted a fairly decent total against good bowling. J Gordon and J Hale got us off to a good start, unfortunately the middle order didn't quite get going but a classy knock from A Easton helped us reach a defendable total.

The Stragglers bowling unit did well, opening up with Tom Perrott and he bowled tightly and was backed up by A Roberts. Pradeesh Surendran was unlucky not to have an LBW and a few chances were missed. J Gordon also bowled cunningly, varying his pace to good effect. Perhaps we didn't have quite enough runs as Millfield seemed in control to chase down their target but the rain came and the match ended in a draw. Many thanks in particular to James Allsop, Tim Lerwill and Robert for their continued help in raising this side and let's hope that next year we can win.
